FINALLY FACE-TO-FACE: COTERIE NEW YORK SPRING/SUMMER 2022

Prepare for market with an exclusive preview of the show

We cannot wait to see you — *in-person* — for the return of COTERIE New York. We've made it easier for you to sell and shop the best brands, categories and trends for Spring/Summer 2022.

Live events are back, and we are thrilled to announce our return to the Javits Center for COTERIE New York Spring/Summer 2022. We're so grateful for the opportunity to reconnect with the fashion community, face-to-face in the Big Apple.

And we're in great company - COTERIE New York kicks off shortly after the historic return of New York Fashion Week. Experience the magic of America's fashion capital with industry icons, legendary leaders, and the most influential media outlets from around the globe.

We've transformed the way we merchandise COTERIE New York featuring product specific communities, and special brand curations throughout the show. Beyond the transactional, we hope you'll enjoy our robust program of educational events, spotlighting industry veterans and fresh faces alike. We'll also host exclusive networking events and eye catching activations - plus our white-glove services are better than ever with a retail concierge and more.

"We are so honored to play host to the hundreds of amazing brands who will be showcasing not only their new collections, but their strength and resilience to have come out even better, on the other side of what was a time of incredible challenges for our industry," says Courtney Bradarich, VP of Contemporary Women's Events. "We're both awe-inspired and endlessly grateful to our community of buyers who displayed incredible nimbleness and creativity - and who are back, more engaged than ever, ready to discover new collections and styles for their customers!"

Looking forward to connecting again in the city that never sleeps...

Sincerely,
Your team at COTERIE

BRAND CURATIONS

Keep an eye out for curated trend stories featured throughout the show, including special showcases of minority-owned and sustainable brands. Collectively, they'll highlight dozens of exhibitors while diving deep into the sartorial zeitgeist.

FEEL- GOOD FASHION

Colorful comforts

Following heightened stress, shoppers want ease for Spring/Summer 2022. Casual, party and on-the-go wardrobes look the part, but they're as comfortable as their loungewear looks for home. Pops of color and vibrant prints also lift the spirits, while denim goes subtle in light blue.

DOWN- TO-EARTH OPTIMISM

*Footwear's
future looks
bright*

While a range of heel heights are in vogue for Spring/Summer 2022, there's a focus on comfortable, wear-them-everywhere designs. Practicality meets fashion with sneakers, flatform boots, low heels, weather-proof materials and more, all ideal for spontaneous adventures. The zeitgeist is also reflected in energizing pops of color.
